

Luminux is proud to present you the Multiplex series surface mount LED downlight which is perfect for the retail shops, hotels, residential, and most of commercial and architectural lighting. This elegant simple and classic design comes with the cutting edge LED technology and heat dissipation technology. It adopts multichips-array LED system (Cree, USA) technology which can produce up to 480 lumen with 6W only. The highest color rendering option can be up to 90CRI. It is now possible to reduce energy consumption and maintenance costs without compromising on light quality and ambience.

Features

- Simple and Classic Design
- Aluminium Cooling System
- Cree, USA Multichips-Array LED System
- Ultra-easy Installation
- Power Consumption: 6W
- Multi-Directional: ±30°
- Super Long Life - 70% maintenance of lumen after 50000 hours
- Super High Color Rendering (CRI90)
- Beam Angle Option: 15°, 24°, 38°, 60°
- Dimming Options: EcoSystem, DALI, 0-10V, TRIAC
- Power factor: >0.94
- RoHS Compliant
- UV and IR Free
