

Luminux is proud to present you the SW101 decoration LED light. It produces a very charming light effect for floor, wall and ceiling. This unique Italian design makes the product looks fabulous and luxury. The design is made by 316 stainless steel and acrylic, with highest IP68 protection rating. With one high power LED (Cree, USA) build-in design which can produce up to 100 lumen by 1W only, it is now possible to reduce energy consumption and maintenance costs without compromising on light quality and ambience.
